SHADOWS OF MORDOR

GAME TWO OF LORD OF THE RINGS'

At last! Here is the worthy successor to the highly acclaimed ***Lord of the Rings Game One***, the Shadow of Mordor. This game is based on the adventures of Sam and Frodo in the second part of the Trilogy – The Two Towers.

Once again the unique team of programmers that brought you ***The Hobbit*** and ***Lord of the Rings Game One*** have taken adventuring to the next dimension.

Reviews of Lord of the Rings Game One.

"One of the most advanced, original and involving text adventures you'll ever play" **Popular Computing Weekly**

Adventure Game of the Year
Popular Computing Weekly Readers' Award

"The best from Melbourne House so far'. I can't wait for the second part of the trilogy." **Computer and Video Games**

"A totally irresistible addition to the ranks of all-time micro-adventure classics." **Commodore User**

"Best adventure to date. An excellent game of which Tolkien would have approved." **Computer Games**
